

## EVENT & EXPO INVESTMENT PROJECT PROFILE

Project title	“Agromix” doo. Fodder production, broiler chicken fattening, consumer eggs, meat products, transport.
Sector	Agriculture, food industry and transport.
Location	City Dobož. Dobož has an extremely favorable geographical position and is located on the river Bosna. The city is located in the alluvial plain at 146m above sea level, on the left coast of the river Bosna between the confluence of the rivers Usora and Spreča into Bosnia. It is the largest traffic hub (railway and road) in Bosnia and Herzegovina.

	150km from Sarajevo,93 km from Banja Luka, 72 km from Tuzla.	
Location description	<p>These are two locations:</p> <p>1) 2,5 km from Doboj next to the main road Doboj - Tuzla,</p> <p>2) Johovac 14 km from Doboja next to the main road Šamac - Sarajevo and highway Doboj - Banja Luka.</p>	
Company description	The company has been operating since 1996. It is engaged in the production of animal feed, fattening of broiler chicken, consumer eggs, meat products, international and domestic transport.	
Project status	All facilities are built and in peration with the necessary machinery and equipment. New markets are nedded, wich means an increase in production and sales.	
Project description	It is necessary to expand the market, especially for the meat industry. Arrange a distribution deal with another company and bring in fresh capital for operating funds to increase production and sales. That is why we are looking for a co-investor or possibly a buyer. Under extremely favorable conditions.	
Estimated total investment cost	The value of the total project around 3.200.000 EUR value of the company.	
Inputs provided by local partner	Value	Description
	3.200.000 EUR	Existing facilities and equipment, trucks.
Inputs required from foreign partner	Value	Description
	In the initial stage: 300,000 EUR	These are investment in operating funds and market expansion. In the later stages, investments can be invested in a slaughterhouse and spreading the processing of meat products. We have our own slaughterhouse of small capacity.
Form of cooperation with foreign partner	Financial	Technical
	<p>The amount of investment will be determined by the foreign partner when he considers the situation in the company as well as the situation on the market and his business ambitions.</p>	<p>Types of cooperation we're looking for from a foreign partner:</p> <ul style="list-style-type: none"> <li>- Co-investment</li> <li>- Management and marketing expertise</li> <li>- Access to equipment and technology</li> <li>- Access to markets and distribution channels, etc.</li> </ul> <p>There's also an option of 100% ownership transfer.</p>
